HISTORY AND SNAGS AT THE SPIT

The Spit, early 1900s (Mosman Library)

Join us for a historical tour of The Spit. Our guides are Mosman Historical Society Committee members. They will take participants around various interesting sites such as the location of the Spit Diggers' Swimming Club Memorial Hut, the Mosman Rowing Club Boat House, the Lucinda Memorial Sculpture and the remains of the first Spit Bridge.

Members of other lower north shore historical societies are invited to take part in the excursion.

The tour takes no more than an hour. There is some easy walking over entirely flat ground.

Following the tour, John Dansie provides one of his famous sausage sizzles or, if you prefer, you can have your own picnic on the grass. You may wish to bring drinks and chairs.

There is no need to book.

Meeting place: Participants meet in the large car parking area near the Mosman Rowing Club in The Spit Reserve on the south western side of Spit Bridge.

Date: Wednesday 19 November 2014.

Time: 5.30 PM.
