***SO, WHY ME? WRITING THE MOSMAN CRICKET***

***CLUB'S HISTORY***

***by John Hiscox***

The Club was approaching 100 years and I was approaching 60 years since joining it as a junior. The Club manager at the time said, 'We need a history and you're elected to do it'. I could think of three older players still on their feet but they were no longer actively engaged. So how could I refuse! If I get the chance to do the 200 year history I will certainly tackle it a different way, but it was fun doing this one anyway.
