

# **MOSMAN HISTORICAL SOCIETY – JUNE 2013 NEWSLETTER**

## **Recently.....**

On 8<sup>th</sup> May, John Hiscox, father-in-law of Allan Border, presented WRITING THE MOSMAN CRICKET CLUB'S HISTORY about his experiences writing the recently published history of the club after its centenary in 2008.

Member Philippa Peterson located a superb photograph dating from 1920s of all the members of the Mosman cricket team, which included her father Frank Tindale. In locating this, she also found a group photograph of the Northern Suburbs Rugby Union Team Dinner 1923 and one of the NSW Swimming Associations' National Dinner of 1921, in which Frank Tindale appeared. Maybe other members have a connection?

On 25<sup>th</sup> April, David Carment placed a wreath at the dawn ANZAC service on behalf of Mosman Historical Society.

## **July speaker meeting**

The next meeting will be at 7pm Wednesday 10th July, downstairs at the library. Bob McKillop will explain how the bubonic plague of 1900 and Walter Burley Griffin have played a part in our waste disposal. He is the curator of the Willoughby Museum and author of the 2012 book *Managing our Waste: An environmental history of Flat Rock Creek and the Willoughby Incinerator 1900-2011*. See attached flyer.....

## **30 year anniversary of community radio**

In May 1983 a new community radio station was born – Radio 2NSB FB. As reported in the Mosman Daily of 26<sup>th</sup> May 1983, the highlights of its first day of broadcast included an interview with John Howard, the deputy leader of the Liberal Party. You can tune in to the Northside Broadcasting Co-op Ltd at FM99.3.

### **70 year anniversary of Mosman Home Gardeners' Society**

To celebrate, a Floral Festival will be held in the Mosman Art Gallery Grand Hall on Saturday 21<sup>st</sup> September. There will be visits by horticultural luminaries such as Brendan Maor (from *Lifestyle*) and Mark Paul, fine art, Devonshire teas etc. There will also be a cocktail event on 21<sup>st</sup> September with Mosman's mayor as a guest and Ray Martin as host.

They are seeking photographs or information about Frank Douglas who was the head nurseryman for the Mosman Council in 1943. If he had not started his garden field days to help the war effort, the Mosman Home Gardeners' Society might not have started. *Contact Jacquie Tuck on 9904 4959 or [jacquietuck@gmail.com](mailto:jacquietuck@gmail.com)*

### **Can you assist? - the showboat in Mosman Bay**

No one knows more about Sydney Harbour ferries than Bill Allen who gave us a very popular talk recently. There are missing links in his bid to create a living history of Sydney's earliest form of public transport and he would be very appreciative of a photograph of the showboat as it used to appear in Mosman Bay. He would also like a colour photograph of the *Lady Edeline* to assist his research about its colour change. He only wishes permission to produce a copy of these and will return the original. *Phone Bill on 9868 1906 or 0410 681 906.*
